Washington, DC 20554

**Re: QUARTERLY REPORT – 4<sup>th</sup> Quarter 2008**  
**DTV Consumer Education Initiative – MB Docket No. 07-148**

Dear Ms. Dortch:

PVT Networks, Inc. ("PVT") is the licensee of Stations WQIZ609 (BEA136 – Channel Block A), WQIZ610 (CMA285 – Channel Block B), WQIZ611 (CMA555 – Channel Block B) and WQIZ612 (CMA556 – Channel Block B) in the 698-806 MHz Band ("700 MHz Band"). Our Auction 73 long-form application was recently granted by the Commission. *See Public Notice*, entitled "Wireless Telecommunications Bureau Grants 700 MHz Band Licenses," DA 08-1522, Report No. AUC-73 (Auction No. 73), dated June 26, 2008.

PVT is a Multichannel Video Programming Distributor ("MVPD") that provides service in the State of New Mexico. Pursuant to Section 27.20 of the Commission's Rules, we hereby report that for the quarter ended December 31, 2008, PVT has undertaken the following outreach efforts to educate consumers about the transition from analog broadcast television service to digital broadcast television service (DTV):

Beginning in May of 2008, PVT has included printed notices in all of its monthly bills to educate consumers about the transition to DTV. The bill messages will run for one full year (through April of 2009).

PVT notes that its parent company, Peñasco Valley Telephone Cooperative, Inc. ("PVTC" or "the Cooperative"), is a provider of wireline telephone services and it is an Eligible Telecommunications Carrier ("ETC") in the State of New Mexico. PVTC receives federal universal service funds via Lifeline and Link-Up Programs and since May of 2008, the Cooperative has included a DTV transition notice in the monthly bills of all of its customers. PVT has not yet had an opportunity to acquire equipment or to deploy services under its new 700 MHz licenses.

Marlene H. Dortch, Secretary
